

1 TO 1 KID TALK

PRESENTS

Lesson Plan One

VERB SET ONE

Read this before watching videos.

Your child will learn more from the videos if you do the sentence repetition lesson before watching.

Sentence Repetition:

- Step 1** Have your child's attention before saying each sentence below.
- Step 2** Read the sentence out loud with an emphasis on the word in bold.
- Step 3** Have the child repeat the sentence. If correctly repeated, praise the child. If the sentence is incorrect model it again for the child until the child can repeat the sentence correctly.
- Step 4** Have your child watch the fun videos! Encourage your child to tell you what happened.

Video #1 Sentences

Mary **fished** all day.

Tommy **raked** the leaves.

Jenny **hummed** the birthday song.

Sarah was quiet and **listened**.

Mario was tired and **rested**.

Billy went to the lake and **fished**.

We had a job to do, so we **raked**.

Everit loved music, so the boy **hummed**.

Hiro **listened** to the choir.

Jackson **rested** after playing.

Syntax Stories

Read aloud after watching the videos.

Let your child play with a nonactive toy such as play dough or coloring. Your child does not need to listen intently or comprehend the story. They only need to hear the "ed" words. By listening to the stories, they will be exposed to the grammatical pattern of "ed" past tense verbs and it will improve their learning.

Fished and Listened

One weekend a family went camping. They **fished** all day. Margarita and her brother **listened** to their father's instructions. She **fished** from the lake and he **fished** in the river. Dad **fished** from the boat. While they **fished** the children **listened** for fish jumping and for birds singing. It was so quiet, when the children **listened** carefully, sounds from miles away could be heard. The three **listened** and could identify many sounds from nature. The group **listened** for hours while they **fished**.

VERB SET ONE

Raked and Hummed

Fall leaves needed to be **raked**. It was John's chore. He **raked** and **hummed**. The big leaves were **raked** first, the smaller **raked** next. The boy **hummed** while he **raked** because it calmed him. He **hummed** all the time: **hummed** at school, **hummed** during tests, **hummed** while riding his bike. A true hummer.

Rested

Ruby and Jane loved two things: to play outside and rest. The day was very hot, so after running to the park, they **rested**. The girls played on the swings, and **rested** again. Climbing the big tree was hard, so the two **rested** once more. After having some water, they **rested** for the last time before heading home, where the sisters **rested**! A perfect day.
